To enter SPC's remote (Zoom) meetings, either click the link provided on the agenda then enter the password. Or else go to the Zoom website and enter the meeting ID number and then enter the password, also on the agenda. Details of numbers to phone should you wish to access the meeting by audio only will also be on the agenda, just call the given number and follow the instructions to join. You will then join the 'waiting room' and will be allowed in by the host when the meeting starts. If you have any issues accessing the remote meeting, please call 01225 873300.
