The Chair announced that the B&NES decision regarding a planning application (18/01509/OUT) to build 200 houses close to the A4 has been delayed until 24th August 2018.

The Chair announced that a planning application (18/02899/OUT) to build 80 houses on safeguarded land between Saltford and Keynsham has been submitted without a consultation request being sent to Saltford Parish Council. As the publicised consultation deadline was Monday 6th August, Saltford Parish Council has requested and received consent to submit its response to this application following the SPC meeting on Tuesday 4th September 2018.

6. NEW PLANNING APPLICATIONS

The Committee considered the following planning applications in respect of which Bath & North East Somerset (B&NES) Council had invited comments:

18/03120/FUL - Selwood Farm, Norman Road - House transformation comprising an extension, changes of materials with additional internal and external works - Mr & Mrs Claire and Nick Selwood

It was resolved that B&NES Council be advised this Council **OBJECTS** to this application: **Saltford Parish Council objects as the increase in the size and scale of the building will impact adversely on the adjacent dwelling, No. 5 Saltford Court, closing it in and reducing natural light from its westerly aspect. The proposed change of building materials for the walls and slate roof tiles is out of character with the neighbouring dwellings in the Conservation Area including the two listed Georgian buildings Tunnel House and Saltford House, and those in Saltford Court whereas the existing design blends in with its Conservation Area setting. The impact on the Conservation Area and its setting for the transformed dwelling as proposed when viewed from the north and west is thus a matter of concern. If the development is permitted, after the concerns raised have been addressed, a condition for the building works should be that public right of way access in the narrow lane leading to and beyond the property should be kept open at all times and any damage to the lane caused during construction be remedied promptly by the applicant/contractor.**

18/03346/FUL - Saltford Library 478A Bath Road - Change of use from library (Use Class D1) to a combination of a library (D1) & post office with stationary sales (A1) - Saltford Community Library Hub Limited

It was resolved that B&NES Council be advised this Council **SUPPORTS** this application: **In view of the importance to the community of the re-opening of the Post Office in Saltford without further delay, we ask that B&NES Council issues its decision notification at the earliest possible opportunity.**

18/03207/FUL - 11 Somerville Close - Erection of a two storey side and single storey rear extension. Mr & Mrs G Strange

It was resolved that B&NES Council be advised this Council **COMMENTS ON** this application: **In making its decision B&NES Council should consider the implications for natural light for the neighbouring property, No. 13.**

It was resolved that B&NES Council be advised this Council **SUPPORTS** this application
