Each council must approve this annual return no later than 30 June 2012.

## Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Audited 'and certified annual returns will be returned to the council for publication or public display of sections 1, 2 and 3. You must publish or display the audited annual return by 30 September 2012.

It should not be necessary for you to contact the external auditor or the Audit Commission directly for guidance.

## Guidance notes on completing the 2012 annual return

1 Proper practices for preparing this annual return are found in the Practitioners' Guide*. This publication is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines if you want to talk through any problem you encounter.
2 Make sure that your annual return is complete (i.e. no empty green boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are drawn to the attention of and approved by the council, properly initialled and an explanation is provided to the auditor. Annual returns containing unapproved or unexplained amendments will be returned unaudited and may incur additional costs.
3 Use the checklist provided below. Use a second pair of eyes, perhaps a council member or the Chair, to review your annual return for completeness before sending it to the auditor.
4 Do not send the auditor any information not specifically asked for. Doing so is not helpful. However, you must advise the auditor of any change of Clerk, Responsible Finance Officer or Chair.
5 Make sure that the copy of the bank reconciliation which you send to your auditor with the annual return covers all your bank accounts. If your council holds any short-term investments, note their value on the bank reconciliation. The auditor must be able to agree your bank reconciliation to Box 8 on the Statement of Accounts. You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide*.
6 Explain fully significant variances in the accounting statements on page 2. Do not just send in a copy of your detailed accounting records instead of this explanation. The auditor wants to know that you understand the reasons for all variances. Include complete analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide* to assist you.
7 If the auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
8 Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2011) equals the balance brought forward in the current year (Box 1 of 2012).

9 Do not complete section 3. The external auditor will complete it at the conclusion of the audit.
