It was noted that Cllr Harding had submitted a written planning report for consideration by the Council concerning planning applications under item 8.d.

3. DECLARATIONS OF INTEREST

The Clerk stated that all residents have an interest in St Mary's Churchyard as it is the location of our local memorial garden and that unless anyone has a pecuniary interest in planning consultation 8.d 19/05370/FUL there is no need to declare an interest. Councillors need to be aware that SPC is likely to be responsible for the maintenance of the path should planning be permitted.

4. PUBLIC TIME

There were nine members of the public present.

Hayley Evans and Sam Cook spoke with relation to item 12 'Safety improvements - A4 Bath Road by Saltford Hill', including concerns about pedestrian safety, the existing speed limit and speeding, and the negative impact of traffic on residential buildings due to road maintenance conditions.

Peter Aylett spoke in support of item 8.d planning consultation '19/05179/FUL - 15 Kingston Avenue Saltford BS31 3LF'.

Reg Williams and Adam Stratton spoke in support of their agreed alternative route regarding item 10 'Public footpaths BA27/79 and BA27/80 (Glenavon Farm)'.

(Item 12 was discussed next)

7. REPORT FROM B&NES WARD COUNCILLORS

A written report from B&NES Ward Councillors was circulated by Cllr Duncan Hounsell to those present. Cllr Duncan Hounsell gave a verbal report, as follows:

- The decision about the future of the Mead Lane river-bank will be made at the B&NES Cabinet meeting on Thursday 16th January starting at 7pm.
- The outcome of a Freedom of Information request to B&NES Council regarding the cost of the 2005 stabilisation works on the river-bank at Mead Lane carried out by Halcrow in current values was between £190,000 (budgeted figure) and £480,000 (based on amounts against cost centres) however the latter figure may accommodate costs not attributed to works at Mead Lane.
- Cllr Hounsell has made a recommendation to B&NES Cabinet that the river-bank at Mead Lane becomes once again a public space for use for all the community.
- Cllr Hounsell believes that a full public consultation should be carried out by B&NES on the provision of an alternative location with appropriate facilities on the river for boaters who require 48hour and 14 day moorings.
- With regards to the reopening of Saltford Station, the Greater Bristol Area Rail Feasibility Study (GBARFS) states that a stop at Saltford is still feasible and suggested it may be possible to introduce a 'skip-stop' pattern (i.e. miss out stops at Keynsham or Oldfield Park) to facilitate a stop at Saltford.
- Cllr Singleton took part in the Avon and Somerset Crime Panel meeting in December 2019. The Avon and Somerset Police Community Trust has a Road Safety Fund with up to £5000 a project available, details can be found at www.avonandsomersetpolice.uk/pct

8. PLANNING MATTERS

a. Decisions and Appeals

The Clerk reported that the following application has been certified as LAWFUL by B&NES Council:

19/04883/CLEU - Ruby Barn Norman Road Saltford BS31 3BQ. Installation of a hardstanding (Certificate of Lawfulness for an Existing Development). Mr & Mrs Selwood.

b. Planning contraventions

None reported.

c. Planning items of urgent information

None reported.

d. Planning Applications - The Council considered the following planning applications in respect of which Bath & North East Somerset (B&NES) Council had invited comments:

19/05179/FUL - 15 Kingston Avenue Saltford BS31 3LF. Erection of single storey side extension. Mr And Mrs P Aylett

It was resolved that B&NES Council be advised that this Council **OBJECTS** to this application:

Saltford Parish Council does not object to the proposed extension in principle but the block plan 0878/4 and the elevations plan 0878/2 show the gutter for the new extension overhanging the boundary and rear patio for No. 16 and the foundations for the extension being built partially on No.16's land. That would infringe the property rights for No. 16 and would compromise any future plans for a rear extension for No. 16 whilst intruding on that property's patio/garden area. Such an intrusion would be contrary to Policy D3 (m) of the 2017 B&NES Placemaking Plan concerning the need to avoid adversely prejudicing an existing development or compromising an adjoining site. Saltford Parish Council therefore recommends that the plans be modified so that the eaves and/or gutter and the foundations for the new extension do not extend over the boundary line.

19/05298/CLEU - 57A High Street Saltford BS31 3EJ. Use of building as 2no self contained flats (Certificate of Lawfulness for an Existing Use)

It was resolved that B&NES Council be advised that this Council **COMMENTS ON** this application:

Saltford Parish Council has no evidence to suggest that the property has not been in use as two self-contained flats for a period other than that claimed by the applicant.

19/05351/FUL - 13 Beech Road BS31 3BE. Erection of single storey rear extension and internal alterations. Mr Mike Pollinger

It was resolved that B&NES Council be advised that this Council **SUPPORTS** this application.

19/05370/FUL - St Marys Church Queen Square Saltford BS31 3EL. Installation of new paving, handrails and ramp to existing memorial garden. The PCC St Mary's Church Saltford

It was resolved that B&NES Council be advised that this Council **SUPPORTS** this application.

19/05376/TCA - Saltford Manor Queen Square Saltford BS31 3EL. Leylandi (T1) - section fell. Mr Richard Canter

It was resolved that B&NES Council be advised that this Council **SUPPORTS** this application.
