

SALTFORD PARISH COUNCIL

GRANT APPLICATION GUIDE – JULY 2020

Saltford Parish Council allocates money each year to be awarded in grants. Organisations or groups can apply for a grant to fund projects, activities or events that will be of benefit to the residents of the Parish or members of the local community. Grants are only awarded for a particular defined purpose.

This document is a guide to making your application. It explains the process by which grant applications are considered and made. It also contains conditions to observe if you are successful in your application.

About grant funding

Saltford Parish Council has limited funds with which to award funding. The Parish Precept forms a significant part of the grant funding made by Saltford Parish Council. Saltford Parish Council has adopted the General Power of Competence (GPC) which gives it the power to do anything an individual can do unless statutorily prohibited (Localism Act 2011, ss.1-8). Further, grant funding from Community Infrastructure Levy receipts can be used for enhancing Saltford's community facilities, amenities, and infrastructure.

All applications will be considered on their merits, so you must advise the Council on your application the purpose of the grant. Please note that personal applications by individuals for support cannot be considered no matter what use and how good a cause that use may be.

When submitting the grant application form please include a copy of your organisation's most recent annual accounts and a copy of your written constitution or details of your organisations aims and purposes.

Criteria

Saltford Parish Council funds grants for project set up or capital equipment costs.

Running, maintenance or other ongoing costs will only be funded in exceptional circumstances i.e. if it would have a significantly detrimental or demonstrable long-term negative effect for residents if funding were not received (please see Notes section below).

Saltford Parish Council will consider the following when considering a grant application:

- Whether the Parish Council has the power to make the grant
- Whether the grant is in the interests of Saltford or any part of it, and to all or some of its inhabitants
- Whether the grant will meet the needs of the community, providing positive and direct benefit to residents of Saltford
- Whether the organisation or group could reasonably have been expected to obtain sufficient funding from another, perhaps more appropriate source
- Whether the organisation or group making a grant request is a non-profit making voluntary organisation where membership is open (i.e. no discrimination on the grounds of sex, race, religion etc).

- Whether the applicant has demonstrated some degree of part-funding in either money or time.

Grants cannot be made to fund political activities.

Saltford Parish Council will consider applications for grants in situations where there is no other way of obtaining the relevant funds; the funds will enable the relevant group or organisation to access or 'unlock' funds or assistance from third parties, and; where monies have been donated or raised but these are insufficient and funds are needed to bridge the resulting gap.

The Parish Council will assess applications with particular reference to the number of residents likely to benefit, or whether any particular category of parishioner would receive specific benefit e.g. children, the elderly, persons with any form of disability etc.

The application process

All applications must be submitted to the Parish Clerk by email at clerk@saltfordparishcouncil.gov.uk or by post to Saltford Parish Office, Saltford Library, 478a Bath Road, Saltford, Bristol BS31 3DJ.

Applications can be submitted for consideration at any time of year. Applications which meet the terms of the Saltford Parish Council Grant Application Policy will be forwarded to Councillors. Where possible, grant applications will be discussed by the Council at the next scheduled Council meeting, and if this is not possible, within 12 weeks of receipt. Please take this timeframe into account when submitting grant application forms.

Applicants will be expected to attend the Saltford Parish Council meeting at which their application is discussed and answer any questions the Councillors may have.

Final decisions on awarding grants can only be made at Saltford Parish Council meetings. The figure stated by the applicant will be used as a guide only, and the final amount of the grant award will be at the discretion of the Council.

Applicants will be advised of the outcome of their application at the meeting. If not present, applicants will be informed of the outcome within 10 days of the meeting taking place.

If successful, grant payments are made within 10 days of the application being approved. Grants are made as single payments by BACS. Payments of grants must be acknowledged by the recipients on receipt.

Conditions

Recognition of the grant from Saltford Parish Council must be made in any publicity.

A short written report about how the grant has benefitted the group or organisation must be sent to Saltford Parish Council within 12 months of the grant being made, including photos if appropriate.

Any monies unspent or not used for the stated purpose shall be returned to the Council, except where the Council's prior written consent has been given for the funds to be used for another purpose.

Saltford Parish Council reserves the right to request repayment of any grant where an applicant does not comply with these conditions.

Please contact the Parish Clerk if you require any further information. The application form is available on the Salford Parish Council website www.salfordparishcouncil.gov.uk

Breach of these conditions may affect the consideration of future grant applications by your organisation.

Notes

The Council's interpretation of 'running, maintenance or ongoing costs' and 'exceptional circumstances' is final.

The Council's decision on any application is final and there is no right of appeal.

The Council reserves its right to decline any application without giving reasons for its decision.

The Council will not commit to any continuing funding or expenditure.

Where a Councillor is a member of a group or organisation applying for funding, that Councillor must declare in accordance with its Code of Conduct an interest in the matter and refrain from voting. Councillors must state their interests at meetings under agenda item 'Declarations of Interest'.
